MINERS VOTE TO END STRIKE AND RETURN TO WORK.

THEY HAVE FAITH IN PRESIDENT ROOSEVELT.

Strikers Expect to Have a Report From Arbitration Committee Within Next Thirty Days—Men Will Go to Work At Once.

WILKESBARRE, Oct. 21.—By a unanimous viva voce vote, the convention of United Mine Workers accepted President Roosevelt's arbitration plan shortly before noon today.

Great cheers greeted the announcement of the result.

The resolution as adopted carried with it a declaration that the strike is off and provides for an immediate resumption of work of the coal miners throughout the anthracite region.

President Mitchell told the convention that President Roosevelt had informed him that he would call a meeting of the Arbitration Commission after the convention's acceptance of the proposition and Mr. Mitchell gave it as his opinion that the findings of the arbitrators would be announced within a month.

The end of the convention and of the great strike which has lasted five months suddenly appeared close at hand.

President Mitchell after the convention had given itself over to heated debate for an hour and a half, arose and calmly told the delegates that it must be apparent to all of them that there was no doubt whatever that the President's proposal would be adopted.

There had been a renewal of the serious opposition to the steam men and heated words had passed between delegates. Explanations of the President's proposal had been made in four languages. There seemed to be more opposition than ever to settlement when suddenly there was a break in the clouds when a motion was put by a delegate down in front near the presiding officers. In a clear voice the strike leader called for a vote on the all-important question, and instantly there was a roar of ayes.

ROOSEVELT WILL ACT.

WILKESBARRE, Pa., Oct. 21.—President Mitchell announced that he had received a telegram from President Roosevelt that he would call a meeting of the Commission immediately after the favorable action of the convention.

President Mitchell said he had reason to believe that the finding of the Commission would be announced within one month after the close of the strike.

THE FINAL VOTE.

WILKESBARRE, Pa., Oct. 21.—With the prospect that President Roosevelt's proposal to arbitrate would be accepted by a good majority, the convention of United Mine Workers resumed its work today in the Nesbitt Theater.

While a final vote of the delegates on the motion before them at adjournment yesterday—the acceptance of the settlement proposition embodied in President Mitchell's speech—may possibly be reached early in the afternoon, it is believed that the delegates of the steam men who are opposing the resumption of work unless they get their places back at once with the rest of the strikers, have not had their full say and may delay the final vote. Nor have the leaders, except Mr. Mitchell, spoken to any extent. For this reason, the entire first session today may be devoted to speeches, in which case the final polling of the delegates will proceed during the latter part of the afternoon.

THE PUBLIC PREPARED.

A formal announcement to the public, prepared last night by the Resolutions Committee, which included Mr. Mitchell and other high officers of the mine workers, awaits the result of the voting on President Roosevelt's proposal. There is almost no doubt that this announcement anticipates a settlement of the strike and that among other things it will thank the public for its aid in the struggle.

It was evident when the delegates assembled today that they were most hoQperful. Some said that the arbitration commission would be of even more beenfit to future generations in the fields than the present and anyhow it would put before the public the whole situation in detail as between the miners and operators, in a fair and thorough way.

In reading the local morning papers the miners were confronted with the advertisements of merchants, announcing that the strike was settled.

The opposition of the steam men is neither belittled nor exaggerated by Mr. Mitchell. He simply maintains that this element of dissatisfaction will be settled satisfactorily. A delegate said today that when it comes to voting against the earnest recommendation of the leader few if any engineers will vote against the arbitration proposition though they may not vote at all.

The Committee on Resolutions held a final meeting before the convention assembled, at which the resolutions to be presented were revised and finally passed upon.

The delegates were prompt in getting down to work. As soon as President Mitchell arrived in the hall at 10:05 a. m. he called the delegates to order. The Committee on Resolutions was called on but it was not ready to report.

RE-INSTATEMENT OF MEN.

The question of the reinstatement of all men in their former positions was immediately resumed. The question before the convention was a motion to accept the recommendations of the officers to call off the strike and submit all questions at issue to the arbitration commission. A delegate from the Hazelton region asked how the individual operators stood on the arbitration plan. He called attention to the fact that the arbitration made by the railroad operators did not contain the names of John Markle or any of the other individual coal men. In reply, Mr. Mitchell said that while no individual operators had signed the plan, he did not understand that they were against it.

A delegates from Wilkesbarre said the superintendent of the Kingston Coal Company had promised to give work to all men who applied. This brought out considerable applause. An impassioned speech from another delegate in the Wyoming Valley followed. He asked the men to stop talking about all getting back to work. He hoped the convention would take a vote by noon and end the strike. In all victorious wars men have fallen and there would be some to fall in this one.

At 10:40 the Committee on Resolutions arrived. The committee made its report at once. It was as follows:

RESOLUTIONS ADOPTED.

"We, the Committee on Resolutions, beg that the following resolution be adopted and forwarded to Theodore Roosevelt, President of the United States of America:

"Wilkesbarre, Pa., Oct. 21, 1902. Hon. Theodore Roosevelt, Washington, D. C.—Dear Sir: We, the employes of the various coal companies engaged in operating mines in the anthracite coal fields of Pennsylvania, in convention assembled, having under consideration your telegram of October 15, 1902, addressed to John Mitchell, president of the United Mine Workers of America, which reads as follows:

"'I have appointed as commissioners Brigadier-General John E. Wilson, John E. Parker, Judge George Gray, E. E. Clark, Thomas H. Watkins, Bishop J. L. Spalding, with Carroll D. Wright as recorder. These names are acceptable to the operators, and I now earnestly ask and urge that the miners likewise accept this commission. It is a matter of vital concern to all our people and especially to those in our great cities, who are least well off, that the mining of coal should be resumed without a moment's unnecessary delay.'

QUESTIONS AT ISSUE.

"We have decided to accept the proposition therein embodied and submit all questions at issue between the operators and mine workers of the anthracite coal region for adjustment to the commission.

"In pursuance of that decision, we shall report for work on Thursday morning, October 23, in the positions and working places occupied by us prior to the inauguration of the strike.

"We have authorized John Mitchell, president of the United Mine Workers of America, and such assistants as he may select, to represent us in all matters before the commission.

"(Signed),

"JOHN MITCHELL,
"Chairman of Convention.
W. B. WILSON,
"Secretary of Convention."

THE DEBATE.

The debate on reinstatement was immediately resumed. One delegate strenuously objected to the adoption of the resolutions because no provision is made in them for the men who may fail to get work. The other side of the question was taken up by a delegate from the Panther Creek Valley. He said:

"Let us go back; we will all get work in the end."

There were cries for the previous question, but President Mitchell stopped this by announcing that every man would be given a chance to speak and that he would not entertain a motion to vote so long as there was one delegate in the hall who wanted to be heard.

FEARS OF THE MEN.

Secretary-Treasurer Wilson followed with a strong speech for the acceptance of the proposition. He said that the miners were always willing to arbitrate and now that the coal companies officials have agreed the miners are bound to agree. To those men who feared that they might not get back their positions he put the question how they knew they would not be taken back. He said they were only anticipating it. He felt sure that no competent man need fear the result. He closed by paying a tribute to all those who helped the miners.

The delegates of the brief speeches took up both sides of the question with great earnestness. Those opposed to the proposition wanted specific assurances that they would be taken care of. During the debate three speeches were made in foreign languages—Slavonic, Polish and Lithunian. Three foreign speaking delegates favored the acceptance of the proposition. A Slav delegate wanted to know what wages the men would receive if they go to work Thursday, which created a laugh. He was informed that the question would be placed in the hands of the commission.

MRS. COMMINS AND DR. LILLEY MADLY IN LOVE

Wife Was Ready to Die If Necessary—Archie E. Miles and Walter Agnew Accused—Scandal Told in All Its Details in Superior Court—Wife Compromises.

The trial of the divorce suit of Mrs. Anna Commins against her husband, John F. Commins, the San Francisco real estate agent, was commenced this morning before Judge Ogden behind closed doors.

Mrs. Commins' attorney, Hugh S. Aldrich, sprang the first sensation by announcing that the young wife completely abandoned her complaint against her husband.

Attorney Johnson, representing the husband, arose and informed Judge Ogden that the husband would in no wise consent to a compromise, but would press the cross-complaint in which Commins names three co-respondents.

Immediately after Attorney Johnson had informed the court of the husband's determination, Mrs. Commins crossed over to where her husband was sitting. She put her arms around his neck and engaged in earnest conversation for several minutes, but the stoney stare of Commins put an end to the wife's conversation.

Attorney Johnson then stated that when the motion for alimony and counsel fees was heard Judge Greene had held that Mrs. Commins was not a fit person to have the custody of the two minor children.

This brought the remark from Aldrich that Judge Greene had never held any such thing.

Johnson—I am astonished that counsel should make such a statement.

Aldrich—You must be easily astonisQhed. There is no record of such a thing upon the minutes of the court. The custody of the children is certanly a question here.

Judge Ogden decided that as the question relative to the children was an issue and Judge Greene had made no order regarding it.

THE MEN IN TH ECASE.

Attorney Johnson then read the cross-complaint, which charges the wife with having consorted with men other than her husband at late and unseemly hours and that in doing so she completely neglected her children. The co-respondents named are Dr. J. F. Lillie, Archie E. Miles and Walter Agnew.

It is also alleged that the young wife was guilty of extreme cruelty in threatening to poison her husband because he interfered with her pastimes, and interfered with her associating with other men.

NURSE TESTIFIES.

Mrs. Catherine Richard, a professional nurse, was first put on to the stand to prove that from certain statements made by Mrs. Commins while she was ill, that the wife had lost all love and affection for her husband.

MYSTERY SURROUNDS THE DEATH OF BERKELEY MAN.

An element of mystery has entered into the case of Henry Lannewehr, the aged laborer, who, a Coroner's jury decided, was gored to death by a cow. Louise and Henry Lannewehr, a son and daughter of the deceased, who at first accepted the theory that a cow caused the old man's death, now say that he was murdered, and they declare that they will ask the police to assist them in running the murderer to earth.

Why the children made no mention of their suspicions at the inquest is not explained. The daughter at that time testified that her father had no enemies, so far as she knew, and when asked how he was killed she answered:

"I do not know."

She now says she had proof that her father was murdered, but she refuses to say whom she suspects or what the motive could have been. William Lannewehr, the son, is equally positive that the old man met with foul play.

The only evidence in regard to the cow was that of J. Sheridan, F. Webb and C. B. Morgan, who testified that there was a cow and calf in the lot where the old man was found. Sheridan said the bovines were seventy feet from the body.

Morgan testified that he saw Lannewehr five minutes before his death and that he was then going toward the cow lot. Five minutes later, he said Louis Deehay called to him that Lannewehr had been knocked down by the cow and was injured.

Deehay was not called as a witness.

"I performed the autopsy," said Dr. Frank Payne today, "and I found that death was caused by a wound in the left eye. The wound was caused by a sharp instrument which punctured the brain. I did not testify that this instrument was a cow's horn, but, when asked, I said it might have been."

"The conclusion of the jury," said H. W. Pulcifer, stenographer to the Coroner, "was that the old man had slipped and fallen, and that the cow, thinking that he was about to injure her kine, gored him."

MT. EDEN PEOPLE CHEER FOR THE CANDIDATES.

REPUBLICAN NOMINEES WILL RECEIVE A BIG VOTE IN MT. EDEN—MITCHELL'S MANLY STATEMENT.

The residents of Mount Eden and vicinity turned out en masse last night and gave the Republican county candidates an enthusiastic welcome. The audience that gathered in the wigwam Hall was large an unusually appreciative.

The campaign songs, the speeches of the candidates and especially references to the Republican standard bearer, George C. Pardee, were enthusiastically cheered. The hall was patriotically decorated. The pictures of McKinley, Roosevelt and Pardee were given conspicuous places in the decorative arrangement.

County Central Committeeman A. G. Roberts called the meeting to order and requested E. H. Crawiter to act as chairman. The program began by a selection by the Haywards Brass Band followed by a rendition by the Pardee Glee Club.

SUPERIOR JUDGES.

Superior Judges Hall and Greene were well received and made short addresses.

JOHN J. ALLEN.

District Attorney John J. Allen was introduced and made one of his characteristically good speeches, which was interrupted numerous times with applause.

J. P. COOK.

John P. Cook, candidate for County Clerk, was next introduced. He was generously applauded. He said in part:

"During the last four weeks we have been visiting various parts of the county for the same purpose that we are here tonight. I believe that from what we have observed that it is a fair statement to say that the majority of the voters of Alameda are in sympathy with the Republican party and its candidates.

"Before I allude to certain statements I understand have been made by the opposition, I wish to state that we are willing to concede that the gentlemen upon the opposition ticket are honest and upright gentlemen. They have not been quite so fair to the nominees on the Republican ticket. They have accused us of stealing our nominations and that the Republican County Convention was programed. These statements are only to be taken at their actual campaign worth. For instance take your own township. George Gray was the nominee sent by the people to the Convention. He returned to you with the nomination because he had a solid delegation behind him. Arthur Feidler had Murray Township behind him solidly. Robert Greig had Berkeley behind him solidly and so with every candidate on the ticket. It is a ticket which is vouched for by the friends and neighbors of the nominees. It is a ticket put up by the people. The primary election was held under State auspices, making it impossible for fraud. Every township and every assemblage district is represented on the ticket."

SUPERVISOR MITCHELL.

Supervisor John Mitchell, candidate for County Assessor, was the next candidate to address the audience. He said:

"I wish to take this occasion to pay a tribute to my friend and associate, Supervisor Talcott. He is a good man and I would advise the people of this township to return him to the office just as long as he is willing to run.

"I understand that there is a strong probability that one of the gentlemen who claim to be my opponent is going to circulate circulars denouncing me by yelling Contra Costa. There was a time in 1897 that the Board of Supervisors instructed the Assessor, the Supervisors having been informed by the District Attorney that the Contra Costa franchises were assessable in San Francisco, the water company's principal place of business, that he should notify the Assessor of San Francisco to assess the franchise of the water company in San Francisco. Charles E. Snook was the District Attorney. That was the only time I ever voted to take the assessment off the Contra Costa Water Company, and then I did it upon the advice of the District Attorney.

"When that circular comes out against me, you will find that the Supervisors' instructions to the Assessor are omitted.

"There will be a train of circulars like that. They will be campaign lies and slanders. They will not dare to print all the proceedings.

"Ladies and gentlemen, I am proud of my record. I stand by it. I have always been fair and if elected to the office of Assessor will deal just and impartially to the rich and poor."

ROBERT GREIG.

Robert Greig of Berkeley was introduced next to the audience. He was enthusiastically applauded.

ARTHUR FEIDLER.

County Treasurer Arthur Feidler was the next of the speakers to be greeted by the audience.

J. CAL EWING.

County Auditor J. Cal Ewing made a happy speech which was applauded at the end. He said:

"The palm of oratory has been carried off by the previous speakers. I shall not attempt to excell them in that respect, but will address you in plain, blunt language.

"What promise has the Republican party broken during the last eight years? What promise has the Democrats not broken? It seems to me that our Democratic friends have nothing but an unbroken array of unkept pledges to recommend them to the people. The Republican party, on the other hand, has page after page in history which is studded with glorious achievements. It is for you to decide which of the two parties you deem most worthy of your support. As for myself I have no hesitancy in saying I am going to vote the ticket from top to bottom, from Dr. Pardee to the Constable in my township. I belive most firmly that the majority of voters in Alameda county will agree with me."

JAMES BARBER.

County Tax Collector James Barber, candidate to succeed himself, was the next speaker. He was given a warm reception. He said in part:

"In the past the voters of Mount Eden, in conjunction with the voters of the balance of the county, have seen fit to honor me with office. During an incumbency of ten years there has never been one cent missing from my office. I take pride in the record of my office and will promise the voters, if they see fit to re-elect me, that my conduct will be in the future as it has been in the past.

"The Republican party this year has unusual claims upon the voters of Alameda county. We have the Gubernatorial nominee, as well as the Republican candidate for Clerk of the Supreme Court. These two considerations, together with the glorious record of the party, should induce the voters to cast their ballots for each and every candidate on the ticket."

HARRY LYNCH.

Harry Lynch, candidate for County Superintendent of Schools, was next introduced. He was lustily cheered by the audience.

GEORGE GRAY.

Although George Gray could not be present at the meeting owing to a slight indisposition, his name was a signal for a burst of applause which continued several minutes.

E. C. PRATHER.

Acting County Surveyor E. C. Prather was the next candidate to present himself to the audience.

FOR CORONER MEHRMANN.

Deputy District Attorney A. P. Leach was called upon to make a few remarks for Coroner Mehrmann, who is unable to accompany the candidates.

SUPERVISOR TALCOTT.

Supervisor Talcott was given a demonstration when he arose to speak. He made a sincere and earnest appeal to the voters to support the entire ticket. He received a tremendous ovation when he sat down.

JOHN G. MATTOS.

Assemblyman John G. Mattos was given a hearty reception which argues well for his success.

SHERIFF ROGERS.

Oscar L. Rogers, candidate to succeed himself as Sheriff, was given a storm of applause when he arose to speak. The entire audience was with him. Rogers' few remarks brought the cries, "You are all right. You will be the next Sheriff."

LOCAL CANDIDATES.

Justice of the Peace Prowse and Constable Ramage were both given excellent welcomes by the audience. They made happy speeches which were applauded.

On the recommendation of the Evening School Committee an evening class for all studies will be organized next Monday evening at the Clawson school provided the average attendance is known. The class will be under the direction of A. Pullock.

NEW MOVE IN LIBEL CASE.

SUPERIOR JUDGES WILL PASS ON A POINT THIS WEEK.

SAN FRANCISCO, Oct. 20.—The status of the libel cases of W. S. Leake and John D. Spreckels will not be affected by the decision to be rendered on Wednesday next by Superior Judge Lawlor, Dunne and Cook on thepoint raised by Attorney George D. Collins, as to the exclusive right of Police Judges to sit in misdemeanors of that class as trial judges.

It will be held by the jurists mentioned that it is optional with the bench of the subordinate tribunal to sit as committing magistrate or as judges of the law and the fact.

Therefore, Leake and Spreckels, who were held to answer by Police Judge Fritz, sitting as a committing magistrate, and after a preliminary examination, will appear at the bar of the Superior Court in the ordinary course of events as defendants to demonstrate to a jury that they did not libel Henry T. Gage.

It was expected that a decision would be given this morning, but Judge Cook announced that Judge Lawlor, who was writing the instrument, had informed him that he would not be ready to submit it before Wednesday.

KANSAS CITY, Oct. 20.—Mrs. Clinton B. Fiske was today re-elected president of the Women's Missionary Home Society by an almost unanimous vote.

FRESNO, Oct. 20.—The raisin packers' strike was abandoned this morning, all men returning to work on assurances given that there would be no discrimination in employment against men of the union who had been in the strike.

The council of the Federated Trades had decided that the strikers would have to stand by their original agreement and could not, as was the effort last Saturday, make demands outside of the terms of the agreement.

The Raisin Growers' Association had issued an appeal to the farmers to come in and save the crop in the packing houses, but this, of course, was negatived this morning when the strike was called off.

College Boys Anxious to Contest With the Stanford Men.

Freshman Girls Will Entertain the Young Men of Class.

Students of the U. C. Invited to Compete In Foreign Cities.

BRANCH OFFICE, 2121 STANFORD PLACE **TELEPHONE MASON 1761**

BERKELEY, October 21.—Ever since the founding of Stanford University and the beginning of inter-collegiate athletic rivalry on this coast, it has been the hope of those interested in college sports that the University of California and Stanford University should hold boat-races, such as are held by the Eastern universities. But, though the Berkeley students have organized a boat club, and have built a boat house on Session's Basin, the Stanford students have done very little in the way of promoting aquatic sports. A movement is on foot now, however, that will probably result in Stanford erecting a boat-house and beginning active work with the sculls.

Next Saturday, J. F. Roadhouse, president of the Boating Association of the University of California, will go to Palo Alto. The object of his visit is to arouse some interest among the Stanford students in the matter of inter-collegiate barge racing. Mr. Roadhouse has already communicated with several members of the Stanford faculty who are known as devotees of aquatic sports and who have taken an interest in the sport in the East. They have all promised their support.

At present, Stanford has a small boat-house on the bay a mile from the University, but the house is inadequate, and they have no good racing boats. The project now is to build a larger house and, if necessary, dredge the slough so that it will be fit for racing. A subscription will be raised to meet the expense of this work. It is to talk over plans and discuss ways and means that Mr. Roadhouse will go to Palo Alto.

After the University of California has gone to this expense Stanford will probably not have sufficient funds to purchase any barges. And until she can purchase them, the University of California Association is willing to loan the cardinal men two of the Blue and Gold barges. In the face of this offer, Stanford cannot refuse longer to organize an active association and to send a rowing team to meet the representatives of California.

PROMINENT UNIVERSITY COUPLE UNITED IN MARRIAGE.

BERKELEY, Oct. 21.—A wedding of unusual interest in University circles took place last night when Miss Mary Crooke McCleave was united in marriage to Dr. Russell Tracy Crawford, at the home of the bride's parents, Captain and Mrs. McClear, 15th Walnut street.

On account of illness in the McCleave family the ceremony was a very quiet one, only relatives of the happy couple being present. The nuptial knot was tied by the Right Rev. William Ford Nichols, Bishop of California, assisted by Rev. Dr. Swan of St. Mark's Church.

Dr. Crawford was a member of the class of '97, University of California. While at college he was very prominent as an athlete and as a scholar. He was student assistant in astronomy at Berkeley for a year, and afterwards spent three years at the Lick Observatory, Mt. Hamilton. He is a member of Sigma Ti, the National University Honor Society, and was recently elected a member of the Astronomical and Astrophysical Society of America. Dr. Crawford has just been appointed a member of the Examining Board of the Civil Service at Washington, D. C.

Miss McCleave was also a student at Berkeley, where she was a general favorite. Notwithstanding the fact that she finished her college course in only three years and a half, she was prominent in social affairs and was also captain of the girls' basket ball team. Since graduating from the University Miss McCleave has been a teacher in the Berkeley School Department.

Dr. and Mrs. Crawford left this morning for Washington, where the former begins the duties of his new position on November 1st.

STUDENTS OF THE U. C. INVITED TO COMPETE.

BERKELEY, Oct. 21.—The classical students of the University of California have been invited to compete for fellowships for 1903-04 at the American Schools of Classical Studies in Athens, Rome and Palestine. For many years the University has been represented on the Managing Committee of the School at Rome by Professor W. A. Merrill and on the School at Athens by Professor Edward B. Clapp. The Archaeological Institute of America offers three fellowships in Greek Archaeology, one for women only with an annual stipend of $1,000 and two others with a stipend of $600 each at Athens; one or two in Roman Classical Archaeology, each with a stipend of $600, and probably one for the study of Christian Archaeology, with a stipend of $500, in Rome, and one with a stipend of $600 at the American School for Oriental Study and Research in Palestine.

These fellowships will be awarded chiefly on the basis of competitive written examinations. Examinations for the Greek and Roman fellowships will be held in Athens, Rome, in Berkeley and at the other American Universities represented on the Managing Committee of either school. For the Roman fellowship the examination will be held on March 16, 17 and 18, 1903, at Athens, and at the American Universities represented on the Managing Committee of either school; and for the Athenian fellowship, on March 19, 20 and 21, 1903, at the same places.

Candidates for the fellowships must place their applications for admission to the examinations in the hands of appropriate chairmen by February 1, 1903. Inquiries should be addressed, in regard to the Fellowships of the School at Athens, to Professor Abby Leach, Vassar College, Poughkeepsie, N. Y.; in regard to the Fellowships of the School in Rome, to Professor Minton Warren, Harvard University, Cambridge, Mass., and in regard to the Fellowship of the School in Palestine, to Professor G. F. Moore, Harvard University, Cambridge, Mass.

FAMILY JAR AT SAN LEANDRO

MRS. J. CARRIEN ATTACKS SON'S WIFE WITH DISASTROUS RESULTS.

SAN LEANDRO, Oct. 21.—A family row that occurred here last Saturday between Mary Carriero and her mother-in-law, Mrs. Joe Carriero resulted in the arrest of both Mary and her husband, the latter having unfortunately taken a hand in the dispute.

It appears young Manuel Carriero, a brother of Mary Carreiro's husband, called Mary names. She resented being spoken to in such a manner and went after young Manuel, who in turn appealed to his mother for aid. Mrs. Carriero responded quickly to her son's cry for help and attacked her daughter-in-law. Then ensued a hair-pulling contest which resulted quite disastrously for both women. About this time Mary's husband appeared on the scene and attacked his brother, the source of all the trouble. After every one had received all that was coming to them, the irate mother went to the city hall where she swore to a warrant charging her son and his wife with disturbing the peace. The entire party gathered in the court and before the case had been set for trial they attempted to tell Judge Black the true story of the affair. The Judge was literally stunned with the evidence presented and was finally compelled to have the court room cleared for fear of another outbreak. Then began the troubles of the arrested couple. The young man had no money and there was no one who would put up bonds for his appearance in court. He finally acknowledged that he owned some property and placed it as a guarantee for their reappearance in court. A few hours later the property which Carriero had in a hasty moment acknowledged was his own was placed under attachment for a bill he owed. The dispute of the Carrieros will be settled in the near future.

SPANIARD AGAIN IN TROUBLE.

While a battery case that had been started by him was being tried in court last Saturday, Ricardo Aeteiro, a Spaniard again got himself into trouble.

Some months ago Aeteiro, while drunk drew a revolver on Manuel Caton and Tony Enos. The two young men immediately knocked the Spaniard down and proceeded to beat him into insensibility. While they were at work putting the Spaniard to sleep, Manuel Camacho attempted to intercede in behalf of the latter. For his pains the two young men transferred their attentions to him. They treated him in very much the same way they had treated the Spaniard. Later Camacho had them arrested. Enos pleaded guilty to the charge of battery and was fined $10. Caton demanded a jury trial, which took place Saturday and resulted in his being found not guilty.

While Caton's trial was in progress Aeteiro, the Spaniard, became intoxicated. He insisted upon following a young man about town and abusing him on the streets. The young man finally resented the insults and a well directed blow between the eyes laid the Spaniard on the sidewalk. Marshal Geisenhofer appeared on the scene and hustled Aetiro to the city prison where he was booked for disturbing the peace. His trial has not been set.

SHE IS RECOVERING.

Miss Avis Walrath, who for several days was not expected to live, is now slightly improved and the doctors say that her chances for recovery are very favorable. The girl, who is only sixteen years of age has been suffering from an abscess on the brain.

CYCLERY REMOVED.

ENGLISHMEN INQUIRE ABOUT OAKLAND.

Oakland is becoming known across the Atlantic as well as throughout this country. Among the letters of inquiry concerning this city, received by the Board of Trade, yesterday, was one from Scarborough, England. This would indicate that advertising certainly pays, a fact Oakland's most prosperous business men have long since learned.

"DEAR MRS. PINKHAM:—Your Vegetable Compound cured me of womb trouble from which I had been a great sufferer for nearly three years. During that time I was very irregular and would often have intense pain in the small of my back, and blinding headaches and severe cramps. For three months I used **Lydia E. You certainly have one grateful friend in Emporia, and I have praised your Vegetable Compound to a large number of my friends. HAYWARDS IS INTERESTED.

ITS RESIDENTS ARE WATCHING MOVEMENTS OF RAILROAD SURVEYORS.

HAYWARDS, Oct. 21—The recent movements of the surveyors who have been working through the surrounding districts, supposedly mapping out a line for the new railroad, have greatly puzzled the residents of Haywards. At first it appeared, judging from the track pursued by the surveyors that the new line would pass through Castro Valley, coming in from Cull Canyon, and in that way not go directly through Haywards. The surveyors, however, have recently made another survey which extends down into the valley through the Meek orchard to Haywards, passing close to Pearceville, and coming out near Dr. Gamble's residence on the Meek tract, thence passing the Jones' lumber yard. From there on it is thought the line will swing around into Castro Valley. It is of course not known the exact line that is being followed by the surveyors, but their movements are being anxiously watched by residents and property owners of not only Haywards but the entire county.

The advent of a new railroad through this district would be hailed by many as a great improvement which would enhance the value of land, and possibly boom the district. Nothing definite, however, can be learned on the subject and all are anxiously awaiting the announcement which will probably be made as soon as the franchise for a right of way, recently applied for by some railroad company before the Oakland Council, has been granted.

HE DISTURBED THE PEACE.

John Murphy was arrested here last Saturday for disturbing the peace. The man had been acting in a riotous manner on the streets when found by Constable John. Pann. Murphy was taken before Judge Prowse who dismissed him upon his promising to leave Haywards at once.

HAYWARDS LOSES.

The Haywards baseball team was defeated Sunday in a game played with a San Leandro team. The contest took place in San Leandro and resulted in a score of 4 to 3. The game was an interesting one from the time the pitcher entered the box. It was witnessed by a large crowd, both from this place and San Leandro.

Some months ago when the old baseball team of Haywards was in existence an attempt was made to organize a league which would consist of four teams. Three teams were secured, including Haywards, Newark and Alvarado. Another was needed and San Leandro was requested to get together the required number of players from that place to help form the league. It appears that no attempt was made by any one in the latter town to organize a team and the league scheme fell through. Since that time San Leandro has been joked considerably for its apparent lack of spirit. A short time ago a number of young men, to show what material the town contained, organized a nine, which has since done fairly good work. Their victory over the Haywards team has placed them in the class a little above the ordinary players. They did not win, however, without a hard struggle, as the Haywards team is one that has met with but few defeats since its organization.

LOT BRINGS GOOD PRICE.

Charles Prowse recently sold a lot on the E. Anspacher Tract to W. Spencer for $800. The purchaser intends to reside in Haywards and will shortly have erected an attractive residence of his newly acquired property.

UNION LABOR RALLY.

A Union Labor party rally will be held in Haywards next Friday night. Large preparations are being made by the local Labor party candidates and it is expected that the meeting will be a big affair. Many speakers will be present to address the voters.

OAKLAND TRIBUNE

AN IMPUDENT COMPLAINT.

About the cheekiest thing we have seen lately is a statement that Signor Convertito, who is described as a Neapolitan journalist, is urging the Italian government to intervene in behalf of the Italian immigrants coming to this country, who, he says, are subjected to horrible maltreatment at the New York landing place. He says these immigrants are thrown into a miserable depot and subjected to hunger and ill treatment. Just what the Italian Government has to say about the matter is not very clear. The conditions cannot be anything like as bad as Signor Convertito alleges them to be, and it is quite certain that Italians are treated no worse than other foreign immigrants. Last year 180,000 of them came to the United States, and we have heard no complaints coming from them. It is reserved for a political agitator to disclose after his return to Europe that Italian immigrants are ill treated on landing at New York.

The law requires all immigrants and their baggage to be subjected to a rigid examination prior to entry into the country. This is necessary to prevent criminals, paupers, idiots, insane, cripples and immoral persons being shipped here from foreign countries to become a burden on our people and a menace of our society. Baggage must be examined and fumigated to prevent the introduction of infectious diseases. These precautions have been made necessary by the fact that many European countries made a practice of shipping their paupers, criminals, insane and cripples to this country.

The foreign immigration last year was enormous, reaching the great number of 664,000. Nearly 90 per cent of them landed at New York. Naturally the depot at times became unduly crowded, and individual cases of hardship probably did occur, but that the general treatment of the immigrants was inhumane cannot be believed. The depot is under the supervision of Federal officials, and its work is thoroughly systematized.

However, if Signor Convertito objects seriously to the treatment the immigrants receive on coming here, he can do no greater service to this country than by persuading his countrymen to stay at home. If the Italian Government attempts to meddle in the matter it will be rather pointedly told to mind its own affairs.

METCALF'S ABLE SPEECH.

Congressman Metcalf's Alameda speech is as clear and convincing a statement of the political issues now confronting the people as has been made by anybody. It is a powerful appeal to the voters to stand by the principles and the candidates of the Republican party.

Mr. Metcalf's ability shines in this address. He wastes no time in figures of speech or verbal pyrotechnics but goes straight at the heart of the political situation. He points to what has been done and who has done it. He brings the record clearly home to every thinking man, and in doing so exhibits his own comprehensive grasp of public affairs.

Mr. Metcalf has become one of the best equipped men in public life. By comparing his speeches with the speeches of the most notable men in the nation, the fact is clearly discernible that he is a man of great mental power, the peer of anybody in Congress. The Third district is represented by one of the big men of the nation, and the voters are going to show their appreciation of him by giving him an increased majority.

PARDEE GROWING IN FAVOR.

Dr. Pardee is stirring up the wildest enthusiasm wherever he goes. His canvass has been a strong and winning one, and reports from all parts of the State indicate that he is in high favor with all classes of people. His dignified but affable demeanor and his sensible speeches are exercising a convincing effect on the people who see in him the right sort of a man to place at the head of the state's affairs.

Advices from the mountains as well as the valleys indicate that the trend of popular sentiment is so strongly in Dr. Pardee's favor as to dissipate any fears that may have been entertained. Throughout the whole interior there is Pardee ground swell on, for the voters are determined to make no mistake this year. They are going to elect a Governor who will be in sympathy with President Roosevelt, a man who is in accord with the policy of protection and prosperity.

A contemporary rises to inquire the name of the Democrat who is running for Clerk of the Supreme Court against Frank C. Jordan. He is not running at all. He is standing, and Jordan is doing all the speaking. His name is immaterial, as he will not get enough votes to count.

The voters of the Forty-eighth Assembly district are going to give Phil M. Walsh a thumping majority. They have known Mr. Walsh ever since he was a boy, and they like him because he is manly, straight and ambitious.

"Jim Barbee—oh, he's all right," is what one hears all along the line. The people admire him for his rugged qualities, and they know there is not a man in the county better fitted for Tax Collector than he.

RE-ELECT JUDGE BEATTY.

It would be a public misfortune if Chief Justice Beatty were to fail of reelection. There is no likelihood of such an untoward event, but the voters should leave no room for doubt on the subject.

Judge Beatty has had a long judicial experience. He was District Judge and and Supreme Court Justice in Nevada prior to coming to California. He has been Chief Justice of this State for twelve years.

That he has graced his great office with dignity and honor and learning is universally admitted. He is as fearless as he is incorruptible. He possesses the quality of judicial courage to a rare degree. At no time and under no circumstances was he ever known to shrink from doing his duty.

Such men as Judge Beatty not only ornament the bench, they invest the processes of the law with majesty and invest judicial decrees with sanctity. So long as the laws are interpreted with truth and righteousness and knowledge the institutions of the land are safe, and the liberties of the people are impregnably secure. That will be the case so long as they elect such upright judges, ripe scholars and pure patriots as Judge Beatty.

A SQUARE MAN.

John Mitchell is making a clean, honorable canvass for Assessor. Being a clean, honorable man himself there is nothing in his record to conceal or to apologize for, and he naturally will not stoop to the cowardly device of anonymous defamation. His official record is as bright as a dollar. No one has been found hardy enough to asperse it. For twenty years he has resided in this city, living a life of usefulness. For fourteen years he has been in business and prior to that time worked at his trade as a mechanic.

John Mitchell's public and private obligations have been scrupulously kept. His character as a citizen and a public officer is so well established that he has no occasion to fortify it by vilifying the character of others.

The people of Alameda county can rest assured that he will give them an absolutely fair deal in making assessments. He cannot be swerved from his duty. The poor and the rich will be served alike—with impartial fidelity and strict attention to the legal and moral obligations resting upon a public official.

SUPERVISOR TALCOTT.

The excellent service J. R. Talcott has rendered the people of Alameda county during the past eight years demonstrates the wisdom of electing men of solid worth to the Board of Supervisors. Mr. Talcott is an old resident of the county, a representative citizen and a keen business man. He is public spirited and thoroughly familiar with the public needs, and his good judgment has been of great value to the tax-payers.

Mr. Talcott has looked after the needs of his district with a careful eye. Nor has he neglected the public interests in any other direction. He has been indefatigable in having the roads improved and in having substantial bridges and culverts built. The excellent condition of the public highways today is a tribute to his energy and public spirit. Because he has proved himself so capable the voters of his district are going to give him a third term with a unanimity that will show the hearty appreciation his fellow citizens have for his services.

The Republican county ticket grows in public favor every day.

RUNAWAY NEGRO BOY AT CITY PRISON.

About 1 o'clock yesterday morning Sergeant Green and Patrolman Ely found a twelve-year old negro boy wandering in the vicinity of Seventh and Oak streets. As the boy could give no reason for being about at that hour, he was taken to the city prison where he gave the name of Frank Evans and his home as San Francisco. He will be held as a runaway until his relatives can be communicated with.

DAVOUST WILL TAKE AN APPEAL.

Marila Davoust, through his attorneys Reed & Nusbaumer, has filed a bill of exceptions previous to his appeal from the decision of the Superior Court denying him $25,000 damages against the city of Alameda owing to his wife being electrocuted by wires owned by the city two years ago.

Pears'

Why is Pears' Soap—the best in the world, the soap with no free alkali in it—sold for 15 cents a cake?

It was made for a hospital soap in the first place, made by request, the doctors wanted a soap that would wash as sharp as any and do no harm to the skin. That means a soap all soap, with no free alkali in it, nothing but soap; there is nothing mysterious in it. Cost depends on quantity; quantity comes of quality.

HORSEWHIPS HER ERRING SPOUSE.

MRS. NELLIE MORRISON TRIES TO WIN BACK HUSBAND WITH A BLACKSNAKE.

Smarting under the knowledge that her husband had transferred his affections to another, Mrs. Nellie Morrison last night publicly horsewhipped the man she had promised to love and obey. She met her husband in a lodging house on Twelfth street and proceeded to chastise him with a blacksnake, which she had taken with her for the purpose.

The husband, F. W. Morrison, who holds the contract for carrying the local mail, ran down the stairs with the wife after him, lashing him at every step. When they reached the street the husband stopped and begged for mercy and the wife escorted him to Tenth street and Broadway, where she released him upon his promise to go home immediately. Morrison is quite deaf and his wife secured her promises by the sign language, punctuating her remarks with blows of the blacksnake. After leaving him she waited until midnight for the woman who aroused her jealousy, but finally cooled down and went home.

"Its the only way to get satisfaction," sair Mrs. Morrison in discussing the affair. "I warned my husband that if he persisted in running around I would rawhide him and I did. When he told me he had to work late tonight I suspected something wrong. I had heard some tales about him.

"So I borrowed a neighbor's hat and cape and took down the old blacksnake and started after him. I saw him go into a candy store on Broadway and then to that place on Twelfth street. He didn't know me until I got right up to him. Then I let him have it. You ought to have heard him yell. I guess he'll stay at home after this. He tried to tell me that he was bringing the candy to that woman for a friend of his, but he can't fool me."

QUARTET OF FIGHTERS APPEAR IN COURT

At an early hour yesterday morning Dan Drake and Jerry Flynn were taken into custody by Officer Clark and charged with disturbing the peace. They were settling a dispute with their fists on the corner of Seventh and Broadway. Both deposited the required sum in bail and were released.

Shortly afterwards Officers Lynch and Mulgrew arrested Edward Brennan and Nathan Snyder at Seventh and Washington streets for the same offense. In the Police Court the quartet entered pleas of not guilty and their cases will be tried separately on October 25th. All but Snyder are out on bail.

ITALIANS WILL MEET.

Alden will have a general meeting at Forty-sixth street and Telegraph avenue at Pizzola's Hall. If any of the candidates wish to be present they will be welcome. Meeting Sunday, October 26th, at 1:30 p. m. By order of G. Angeli, president; Jas. Pisenti, secretary.

Tuesday, Oct. 21.

HARD TO COMBAT PROVIDENT FUND. IS VOTED DOWN.

BOARD OF EDUCATION DOES NOT BELIVE IN SCHOOL SAVINGS BANKS.

It has been decided by the members of the Board of Education that they do not want the penny provident fund established in the public schools. The project was brought up at a meeting of the Board last night by Director Evans, its strongest supporter, for reconsideration.

When making the motion to reconsider Director Evans said: "I know that the motion will not be carried, but let it go on record that this Board reconsidered the matter."

The motion received a second, but was defeated by the following vote:

Ayes—Redington, Evans, Clift and Robertson.

Noes—Button, Gray and Isaacs.

"Well," said Evans, "I guess this ends it. We have tried to get the project through, but at no meeting when it comes up is there a full attendance of the directors. I think that there are more in favor of the fund than there are against it, but there are never enough present to carry it through. I doubt, however, that we will make the attempt to establish it next year."

Once more are the clocks in the public schools troubling the teachers and pupils by their utter disregard of the proper time. The Tompkins school has six clocks that need repairing, while Piedmont has two. Harrison and Cole schools need a new clock apiece. Prescott school wants four lengths of stove pipe. The requisitions for the above will be considered.

Other matters to come up before the Board were the communications from Miss Antoinette Smith for a six months' extension of her leave of absence, which was granted, and that of W. S. Haskell of Berkeley, asking permission to photograph the schools, which was placed on file.

A petition was read requesting the Board to reopen the evening drawing class in the High school. The petition was favorably recommended by the High School Committee and a six months' experiment will be made and, if the attendance is satisfactory, the class may be continued.

MAYOR APPOINTS LICENSE INSPECTOR

Mayor Barstow this morning appointed W. A. J. Franke to the position of Deputy License Inspector for the city at a salary of $100 per month. Mr. Franke has at various times been in the employ of the city, at one time being in the Tax Collector's office. The present License Inspector is E. B. Meek, but for several weeks the Inspector has been confined to his bed by injuries received in an accident, and the office duties demand attention. The office of Deputy License Inspector will be continued, as the increasing business of the city makes such an office necessary.

KELLER'S PLAYERS WENT DOWN TO DEFEAT.

The baseball team of the M. J. Keller Company, who defeated the team of Greenebaum, Weil & Michels a few weeks ago at Sixteenth and Peralta street, by a score of 14 to 3, was in return met and badly beaten at Golden Gate Park last Sunday, the score being 24 to 1. It may not be possible that the M. J. Keller team went over to "wipe the diamond with fog," but nevertheless they came with the intention of walloping the G. W. & M's. all over the green grass of Golden Gate Park. The G. W. & M's, will be glad to hear from any strictly commercial amateur baseball nine. Address E. H. Coleman, manager, 17 and 19 Sansome street.

NOTHING LIKE
Paine's Celery Compound
FOR CLEANSING AND PURIFYING THE BLOOD.

It Removes the Germs of Disease, Invigorates and Rejuvenates.

Thousands of men and women who have neglected the work of physical recuperation in the summer months, are now carrying a burden of disease. In the majority of cases, impure and poisoned blood and a sluggish circulation are the direct causes of suffering and misery. Are you, dear reader, one of the unhappy victims? If so, the life stream must be made pure, the health-wrecking laxity of the blood vessels must be corrected, the nerves and tissues must be nourished. Paine's Celery Compound is the medicine that physicians recommend for the increase of pure blood in the arteries, and for arousing the purifying organs to cast off the impurities that give rise to disease. Mr. Jas. F. Hudson, Spring Ridge, La., was a terrible sufferer from impure blood; he tells how he banished his troubles:

"From some cause my blood became impure and resulted in boils and pimples. At one time I suffered from twenty-seven boils. No one can imagine what I suffered. I tried sulphur, sarsaparillas and other remedies, but no relief came. Mr. Sebastian, a merchant whom I used to clerk for, handed me one of your circulars and insisted that I should use Paine's Celery Compound. After using two or three bottles the boils were not so numerous nor as large. After using the fifth bottle, I was entirely cured, and have been myself ever since."

WILL TAKE A NEW CENSUS.

CITY COUNCIL MAKES APPROPRIATION TO HAVE THE WORK DONE.

At the meeting of the City Council last night the ordinance providing for the taking of a census of this city was unanimously passed, all the members present voting in the affirmative. The only absentee was Councilman Cuvellier.

The Council appropriated $900 for the carrying out of the work.

This census is authorized by a legislative enactment which empowers counties and municipalities to take a census between the decennial enumerations made by the Federal Government. The population enumerated by such municipal or county census then becomes the official population of such city or county.

The census which it is proposed to take will, it is believed, show that Oakland has a population of 75,000 or over, which fact will show an increase in residents of several thousand since the national census was taken two years ago.

At that time the population was 66,960. It is known that a number of people have since then located here, that hundreds of new homes have been erected and, in fact, that Oakland has enjoyed a period of prosperity which it never experienced before.

Aside from the fact that a population of 75,000 would show that Oakland is progressing and that she is now marching onward to the 100,000 mark, an enumeration of 75,000 would be of untold advantage in other respects. It would give Oakland a rating as a city of the first class in its relations with the postal and Federal authorities. It would entitle it to increased facilities for the delivery of mail, a considerable increase in the number of letter carriers and other employes of the United States Mail system, all of which are desiderata which would be greatly appreciated.

The project originated with Postmaster T. T. Dargie, and was endorsed and encouraged by the Merchants' Exchange, the Board of Trade and by business men of all lines and merchants and professional men who reside here but whose place of business is in San Francisco.

The work of enumeration will be commenced immediately after the day of the next general election and will be carried on quietly and systematically by a corps of men who are thoroughly acquainted with the several sections of the city in which they will carry on the enumeration.

REPUBLICAN MEETINGS FOR THIS WEEK.

The Republican County Central Committee has announced a series of dates for candidates's meetings during the present week. Tonight there will be a big meeting in Alameda. On Wednesday there will be a gathering at Seventh and Adeline streets. Friday visits will be made to Alvarado and Decoto, and the week will wind up with a big meeting in Oakland.

Tomorrow evening the Seventh Ward Republican Club will give a "smoker" at Cameron Hall, Thirteenth avenue and East Fifteenth street.

CHINESE MERCHANT DIES OF PNEUMONIA.

Toy Hing, a well known Chinese merchant of this city, died Sunday after a short illness from pneumonia. The deceased had a place of business at 527 Eighth street and was highly respected by all who had dealings with him. He was forty years of age and leaves a wife. The remains have been given to a local undertaker who will prepare them for shipment to China on the steamer that sails next Wednesday.

NO SEWER FOR SAN PABLO AVE.

COUNCIL FEELS THOROUGHFARE IS WELL DRAINED BY THE ADELINE SEWER.

At the meeting of the City Council last night the Street Committee recommended the indefinite postponement of the resolution providing for appropriating $499 for the building of a storm sewer on San Pablo avenue near Fifty-fifth street.

Mr. Fitzgerald asked what report the City Engineer had made on it.

Mr. Wixson said the Engineer had made no report on the subject.

Stephen Dewing said that if the sewer should not be put in the property near Fifty-fifth street and San Pablo avenue would be flooded this winter.

Mr. Wixson said the water that came down Fifty-third street could be diverted into Temescal creek.

Mr. Bishop wanted the resolution referred back to the committee.

Mr. Wixson said there was no necessity of referring it back to the committee, of which he was chairman. It might be referred to some other committee. He had made up his mind on the subject. He had looked into the matter and had acted conscientiously.

Mr. Fitzgerald asked the Superintendent of Streets what his opinion was.

Mr. Ott said that opinion out there was divided. His own opinion was that the sewer in Adeline street would carry off the greater part of the water from San Pablo avenue and that the gutters would do the rest.

The resolution was indefinitely postponed by the following vote:

Ayes—Boyer, Cadman, Courtney, Fitzgerald, Ruch, Wixson, Schaffer—7.

Nays—Bishop, Wallace—2.

Absent—Cuvellier, Dornin—2.

BECAME DRUNK AND HAD BAD LUCK.

Harry Donovan pleaded guilty in the Police Court yesterday to a charge of drunkenness and received a sentence of three day in the city jail. He had no sooner taken his seat in the prisoner's dock, however, than a warrant was served on him charging him with petit larceny. The complaint was sworn to by A. Ropossia, who alleges that Donovan, sometime ago, stole a pin from him valued at $14. The warrant was issued several months ago but the officers had been unable to find Donovan, until he was brought in the city prison Sunday night in a drunken condition.

FINE AUDIENCES AT THEATRES.

OPERA AT THE MACDONOUGH AND MELODRAMA PLEASES AT THE DEWEY.

The Marguerite Sylva Company appeared at the Macdonough Theater last night in "The Strollers," before an immense and fashionable audience, and charmed everybody. The costumes were fresh and rich, the scenery excellent and the acting and singing were of the highest order of excellence.

Marguerite Sylva found immediate favor with the audience. She has a beautiful face, a comely form, personal magnetism of a strong character and a voice that is fresh, pure, flexible and sweet, which she uses with exceeding brilliancy and sympathetic taste. Her every number was encored with warmth and liberality.

The make-up of the Marguerite Sylva Opera Company this season is essentially good, and a selection of names is shown among the company which should inspire confidence in the best of our theater-goers. Such people as Louise Middleton, Dorothy Hunting, George C. Boniface Jr., John D. Gilbert, D. L. Don and others go for something nowadays. All of these people have played principal parts and some of them have been stars of the organizations they have been connected with for many years past. George C. Boniface Jr. is a comedian of talent and ability, and has an irresistible and uncouth personality. Most of his work for the past few years has been done in high class comedies, and in which he has been the leading feature, but his many characterizations in comic opera might be well remembered. John D. Gilbert has done a great deal of work in musical productions, high class burlesques and extravaganzas, but his most recent has been in vaudeville, where he has been a top-liner and a strong feature wherever he has appeared.

The company will appear tonight and tomorrow night in the same opera, "The Strollers."

"IN IDAHO" AT DEWEY.

At the Dewey Theater last night there was a magnificent audience to witness the first production of the thrilling play, "In Idaho." The audience was appreciative and the performance deserved the applause which it received. "In Idaho" has all the qualities which go to make up a successful play, one which can thrill a popular audience and cause it to weep and laugh by turns. It has all the rugged honesty, the homely good-heartedness, the dry humor and the undeviating devotion which have always characterized the personages in frontier life.

No play which has been presented at the Dewey Theater was ever better staged by the management than has been the piece for this week. There is a lavishness in the mounting which adds another charm to the acting. Erwin Blunkall, who is one of the very best actors who has played here, has a magnificent chance to display himself in the congenial character of the hero, and Miss Lillian Atwood is most worthy of appreciation in the part of the heroine. Both of these are finely supported by the company. The play will run all week, and people who like a good performance should not fail to witness "In Idaho" before the close of the season.

THE PRESBYTERIAN SUNDAY SCHOOL.

The membership contest going on at the First Presbyterian Sunday School, Oakland, is getting interesting. The two sides engaged, being known as the "Red" and "Blue," are under the direction of Hadley Clarrage and D. C. M. Mitchell, and each side is endeavoring to bring in the largest number of new members. The contest is decided by points; Cradle roll members counts five points; home department members ten, and for the primary or main school, fifteen. In the three weeks past the "Blues" have led, and now show 355 points, against the 195 of the "Reds." Some interesting things are promised by the Reds next sunday, they hoping to overcome the lead of their opponents by strenuous effort this week.

The officers and teachers council will meet Wednesday evening of this week, after the prayer meeting, to discuss plans to raise $100 for a missionary offering on Thanksgiving Sunday and to elect new teachers for five new classes.

DEMOCRATS WILL MEET.

The Franklin K. Lane and Calvin B. White Central Club will hold a meeting at G. A. R. Hall tomorrow evening. There will be a smoker, glee singing and several prominent Democrats will address the assemblage.

YOUNG PEOPLE HOLD A MEETING

The fourth semi-annual meeting of the Congregational Young People's Association, a denominational organization of Alameda county, was held Friday evening, October 17, 1902, at the Fruitvale Congregational Church. Delegates from nearly all the Young People's Societies in the county enjoyed a most delightful dinner prepared and served by the Endeavorers of the local church.

The splendid evening service was greatly enjoyed by the well filled auditorium. The special features of the program were a letter from Miss Wilson of Micronesia, whom this organization is supporting, and an address by J. M. Alexander on "Changes I Have Seen in India During Thirty-five Years."

The officers of the Association are: President, Miss Grace M. Fisher; vice-president, Miss Effie Trimmingham; secretary-treasurer, Edward White; home secretary, Miss Maud Scott, and foreign secretary, Dr. Horace Henderson.

LABORERS COMMENCE CLEANING GUTTERS.

Under the direction of Superintendent of Streets Ott, 150 laborers went to work yesterday cleaning the gutters throughout the city. The men have been divided into four gangs, each with a foreman, and have been assigned to those parts of the city that were not cleaned last year. When they have finished this work, if the appropriation holds out, they will be put to work on the gutters that were cleaned last year.

COMPANIONS WILL CELEBRATE

ELMHURST LODGE PLANS AN INTERESTING EVENT.

ELMHURST, Oct. 21.—Preparations are being made by the Companions of the Forest of Elmhurst to celebrate the second anniversary of their organization, which will take place on November 5th.

The two years this organization has been in existence have been very successful ones. The order has doubled its membership list and is now in a good financial condition, two things of which they are proud and which the members will celebrate in a fitting manner on anniversary day.

Several committees have been appointed to arrange the details of the celebration. The early part of the evening will be devoted to a program of musical and literary numbers after which a banquet will be served. In all probability the Companions will extend an invitation to the members of Court Elmhurst, Foresters of America to be present on that occasion. The affair will be given in Red Men's Hall, which place will be appropriately decorated for the occasion.

GONE TO THE MINES.

J. J. Stone left here recently on a trip to the central mining districts of the State. He will be gone for several weeks.

WALNUT CREEK VISITOR.

Mrs. Della Childs, of Walnut Creek, is visiting her sister, Mrs. W. F. Lynch. Before returning to her home Mrs. Childs will take a trip to Honolulu.

ONE OSTRICH FARM ENOUGH FOR CAWSTON.

A gentleman, who for years was connected with the ostrich farm at South Pasadena, and who has learned that the climate of Oakland is more equable than in the Southland, suggested that possibly if that fact was brought to the mind of Mr. Cawston, the latter might start an ostrich farm in this city. He, as well as the secretary of the local Board of Trade, wrote Mr. Cawston, and yesterday a letter was received from that gentleman stating that he did not intend to open another ostrich farm in this country at present.

BIDS ARE OPENED FOR TWELFTH STREET DAM.

IMPROVEMENT CAN BE MADE WITHIN THE APPROPRIATION ALLOWED BY THE CITY COUNCIL.

At the meeting of the City Council last night bids were opened for the building of a massive bridge and the widening of Twelfth street at what is now known as the Twelfth street dam.

The bids, after having been opened and read, were referred to the Street Committee in conjunction with the City Engineer.

Only one of the bids gave a total as to the cost of the structure. That was the proposal of E. B. & A. L. Stone, which showed the cost of construction to be $49,140.41. This is more than $9,000 above the amount of money now available for the work, which is $40,000.

While the items in the other bids were not totalized, the amount they called for was indicated by the bond or check which accompanied each, which, under the requirements of the call, had to represent one-tenth of the amount of the bid. Reasoning in this manner, the lowest bid would seem to be that of the Hutchinson-Ransome Company, the bond which the firm enclosed being for $4,000, which would argue that the amount of that firm's bid would be $40,000, which would be within the maximum amount of money available for the work.

The bidders and securities were as follows:

Healy, Tibbetts & Co., check $7,000.

Lindgren & Hicks, check $6,000.

Piedmont Paving Co., check $4,900.

Clark & Henry, check $4,500.

Hutchinson-Ransome Co., check $4,000.

E. B. & A. L. Stone, total $49,140.41, check $4,500.

Alfred Burrell, check $5,500.

Oakland Paving Co., check $5,000.

The matter will come up at the meeting of the Street Committee, which will be held next Thursday night.

KING AND QUEEN OF THE DUMPS

AGED COUPLE FOUND LIVING ON THE WEST OAKLAND MARSH LANDS.

The attention of the health authorities has been called to the most pitiful condition in which an old Mexican couple are living in the West Oakland marsh. With nothing to protect them from the elements but a tent scarcely four feet high, aged Tony Lavoures and his wife equally old, have spent several months in that part of the city. To secure the money to purchase food, this old couple assort the refuse that is brought to the dumps by the scavengers, pick out the rags and metals and sell them to junk dealers.

By the neighbors in that vicinity Tony and his wife have become known as the "King and Queen of the Dumps." They have built a tent out of old rags and carpets in a cluster of thistles. So low is their abode that passers by cannot see top as it is considerably lower than the surrounding thistles. The interior of their "home" is entirely occupied by their bed, which is built out of an old cast-off mattress and some gunny sacks. To enter the tent they must crawl in on hands and knees.

When a representative of the Health Department went there yesterday to notify the couple that they must seek quarters more healthful, he found the "queen" following in the wake of a scavenger's cart with a sharpened stick in her hand sorting over the rubbish and from time to time picking out a rag or piece of metal with the intention of selling it. The "king" was not far away at the same occupation. When told by the official that they must tear down their home and move, the couple were very indignant and threatened to have the official arrested for interfering with their mode of living. They finally consented, however, to destroy the tent and move to a more substantial house.

The couple can speak English imperfectly and all that could be learned from them was that, some time ago, the man was a manufacturer of tamales in this city. But financial difficulties forced him to make a living otherwise. He said that he was making a better living at his present occupation and, although forced to move from his field of work, would still continue to make it his livelihood.

INSULTING BEGGAR IS PUT IN JAIL.

Officer Bert Brown arrested Joseph Whittons at Seventh and Washington streets yesterday on charges of begging and drunkenness. Whittons was soliciting aid from passengers at the broad-gauge depot and when his demands were refused, would offer insult. He will have a hearing in the Police Court today.

ONE THOUSAND AND FIVE HUNDRED

Over a Mile and a Half of Pianos if Placed End to End.

Fifteen Hundred Fine Pianos Sold by Pommer-Eilers Music Company in San Francisco During the Past Eight Months. What Modern Methods Have Accomplished. Why Not You Get a Piano This Week?

Upwards of one thousand five hundred fine new pianos were sold by Pommer-Eilers Music Company from their San Francisco salesrooms during the last eight months.

This is a record that cannot be equaled by more than thre or four of the very largest piano houses in the United States.

The new era methods of retailing fine pianos have accomplished this. People bought these pianos of us, and are buying pianos from us because we are in position to furnish them a better piano for less money than can be obtained elsewhere.

If Pommer-Eilers Music Company were not in position to do this there would be no excuse for its existence here, no hope for its continuing in business.

THE BEST PIANOS HERE.

Pommer-Eilers Music Company controls the sale of the very choicest pianos manufactured in America. Prominent among these is the old-time tried Hazelton of New York. In hundreds of California's proudest homes the Hazelton was sold by our worthy predecessors in business here, and these same instruments are giving perfect service today. Almost daily we receive most flattering words of praise as to the beautiful tonal qualities and the marvelous durability of the Hazelton. No piano will outwear it.

SOME DECKER FACTS.

The Decker is another fine piano that has been sold in San Francisco for upward of thirty years. In our Decker parlor hangs a diploma awarded by the New York Agricultural Society for the best pianos to Mr. Myron A. Decker, the founder of the house. This diploma was granted in 1858, four years prior to the founding of another house of similar name, which has since passed out of existence. There is but one Decker piano today, the original and only Decker & Son of New York. Decker pianos today are not only better pianos than were ever made by any Decker, but are without question as fine and beautiful as any other high-grade American pianos.

CHICAGO'S BEST AND SOUSA'S CHOICE.

Then we have the Kimball. The ever successful Kimball—the preference of hundreds of the great artists and musicians of the civilized globe. Every member of the Tivoli Italian Grand Opera Company uses and indorses the Kimball pianos exclusively. John Philip Sousa, the march king, now here, says:

"The Kimball piano is first-class in every respect."

Hundreds of teachers, schools, colleges and convents have purchased Kimball pianos from Pommer-Eilers Music Company, and all testify to the superior merits of these now famous pianos.

PHILADELPHIA'S BEST.

Then there is the beautiful Lester of Philadelphia. Several good pianos are manufactured in Philadelphia, but the Lester ranks as the leading and foremost fine piano made in the Quaker City. See the new styles of Lesters now arriving.

There are more than twenty other good makes at Pommer-Eilers Music Company to choose from. And among the entire selection there is not a poor piano, not a single snide or stencil piano is permitted on our floors.

Every piano sold by us is unconditionally warranted and Pommer-Eilers Music Company is the only house that guaranttes the price of each piano sold, as well as the quality.

"Money back if not satisfied"—that is the distinct understanding under which each and every one of our pianos and organs are sold.

Come in during the week and see the beautiful array of pianos now in our salesrooms, the finest assortment of strictly high-grade pianos ever shown in San Francisco. Easy payments for those who are not prepared to pay all cash.

Remember the number, San Francisco's busiest and best piano store, below the Examiner building 653 Market street. POMMER-EILERS MUSIC COMPANY.

MATTHEW H. MONEY DIED YESTERDAY.

Matthew H. Money, an old resident of this city who for many years conducted a bird store here, died yesterday at his home, 1424 San Pablo avenue on Sunday. He had been ill for some time and his death was not unexpected. The deceased was born in England seventy years ago, but had lived in Oakland for over twenty years. He leaves a widow. The funeral was held yesterday afternoon from a local undertaker's parlors and the remains were interred in Mountain View Cemetery.

ASSAULT CASE DISMISSED IN POLICE COURT.

On the motion of Prosecuting Attorney Leach in the Police Court the case of Nicholas Karman, charged with assault with a deadly weapon, was dismissed as, from the evidence submitted a conviction could not be secured. Karman was arrested at the instance of his son-in-law, Louis Raffetto, who accused his relative of attacking him with a club. Karman alleges that Raffetto was attempting to gain entrance to his residence where Mrs. Raffetto had taken refuge to escape the wrath of her husband.

DR. PARDEE MEETS MANY MINERS.

HE WILL RECEIVE A TREMENDOUS VOTE IN THE NORTHERN COUNTIES—GREAT DEMONSTRATION AT GRASS VALLEY.

GRASS VALLEY, Oct. 21.—The first overflow meeting held in Grass Valley for over twenty years took place last night at the Pardee rally. The Auditorium Theater, which was crowded to the doors, could not accommodate the thousands who participated in the Republican demonstration, and Native Sons' Hall was engaged for the overflow. This hall also was filled, the standing room there being occupied. That Nevada county is for Pardee and the other Republican candidates has been made manifest.

At Nevada City in the afternoon the opera house was packed with people when Pardee spoke there, and nearly everybody on the streets wore Pardee badges. The Republicans here spared no pains nor expense to make Pardee's visit one that he would remember with pleasure, and nowhere in the State has there been a greater show of Republican enthusiasm.

After the Nevada City meeting the Grass Valley committee brought Pardee to this city on a special electric car, which was completely covered with the national colors, and on which a brass band was carried. After his arrival here the whistles at the mines kept blowing for hours and giant powder was set off there at intervals. The committee banqueted Pardee at the Holbrook Hotel at 6:30 o'clock. The theater here, as well as that in Nevada City, was beautifully decorated on account of Pardee's coming.

The attitude of the miners toward Pardee was shown yesterday. At Nevada City many of the miners on the night shift at the Champion mine attended the meeting. Mrs. Pardee was taken down to the 1300-foot level of one of these mines by Superintendent Abadie yesterday morning.

Several officers of the Grass Valley Miners' Union participated in the reception to Pardee here, they being T. R. Edwards, the recording secretary; Richard Gluyas, financial secretary, and John R. Martin, treasurer. They were members of the committee that went to Nevada City to escort Pardee hither. Edward F. Whiting, a miner at the Empire mine, presided at the main meeting last night. Other miners who took part in the rally as committeemen or vice-presidents were J. N. Richards and Simon Crase, trustees of the union; Martin Wallace, W. J. Moyle, John O'Connor and John Leatham, George W. Starr, manager of the Empire mine; Bennett Opie, superintendent of the Pennsylvania mine, and Oscar Cofiin, superintendent of the Electric mine, were on the stage at the meeting last night.

Samuel Butler, president of the Grass Valley Miners' Union, has been traveling with Franklin K. Lane and has been conveying the impression that the union is for the Democratic nominee for Governor. The other officers of the union say that Butler has no right to speak for it in Lane's behalf and that two-thirds of the 500 members are for Pardee. The chairman of the County Committee, Sherman W. Marsh, in introducing Whiting as presiding officer last night, said sarcastically that Whiting was one of the "500 voters who had been signed, sealed and delivered to Franklin K. Lane."

Whiting said: "Mr. Butler has gone forth and stated that he had controlled 500 votes. I wish to tell this vast audience that no one controls the votes of the 500 miners. Each miner controls his own vote. I can safely say that two-thirds of the members of the Grass Valley Miners' Union are Republicans and will vote the Republican ticket.

"Fellow miners, cast your ballots for prosperity and the full dinner pail. Mr. Butler stated when Mr. Lane was here that if every Democrat would go to the polls and cast his ballot the Democrats would show the people what the Democrats could do. I say to you now that if every Republican will go to the polls on November 4th and cast his ballot for prosperity we will show what we can do by electing George C. Pardee Governor by one of the largest majorities ever given in this State." Whiting's remarks were vigorously applauded.

Cheers were given for Pardee on the streets in Nevada City as he walked to the Opera House at the head of a line of Republicans, who wore badges bearing his name, and more cheers arose when he entered the meeting place.

The Opera House was adorned with flowers, maple leaves and flags of various sizes, and large pictures of McKinley, Roosevelt, Pardee and Anderson were prominently displayed. Ex-Senator Preston presided and the stage was filled with vice-presidents.

When Pardee was introduced the men stood up and hip-hip-hurrahed and every few minutes thereafter the crowd applauded. At the close of the meeting hundreds shook hands with Pardee. The cheering for him was renewed when the Grass Valley Committee accompanied him to the car.

Among the committeemen were Mayor C. E. Clinch, William Williams, secretary of the County Committee; Senator John R. Tyrrel, Chief of Police Daniel Deeble, Street Superintendent John Hicks, Postmaster J. C. Tyrrell, Dr. Jamieson, Dr. E. W. Bradley and numerous other Republicans.

A large crowd on Main street sent up acclamations for Pardee when he arrived in Grass Valley. Last night an excursion train from Nevada City brought many voters who could not hear him this afternoon. Bonfires, fireworks and colored fire illuminated their route from the depot to the theater. The decorations of the theater were unusually handsome, flowers, palms and flags and Pardee and Anderson pictures being used in the work of adornment. A Nevada City glee club, under the direction of Professor J. R. Davis, sang, and a male quartet rendered campaign songs.

Pardee in his addresses said that nowhere was a person greeted more warmly and heartily than in the mountains of California, where the hospital spirit and large-heartedness of the pioneer Californians, the miners, characterized the people still. His utterances in favor of organized labor were heartily applauded. Having been spoken to in Grass Valley about the pick-handle story, he said that there was not a scintilla of truth in it, and he denounced those who went on spreading the falsehood.

He spoke of his personal regard for Lane, and remarked that the contest was not between Lane and Pardee but between the political parties which had selected the men as representatives. He said that voters would have to choose between the principles of the parties as expressed in their platforms. If the Democracy were to carry the State the result would be accepted everywhere as signifying that California was no longer in favor of the policy of McKinley and Roosevelt, but preferred the free-trade policy of the Democracy, which brought hard times under Cleveland's administration.

On the trust question he said: "Our nation is not the only one that has trusts. They exist in England, Germany, Japan and other countries. The Democrats say that trusts are due to our protective tariff, but there are trusts which have nothing to do with tariff. The Republican party is pledged to curb and regulate them, and President Roosevelt is taking action concerning them. The Republicans will handle them as they should be handled—in the interest of the people—without, however, disturbing vested capital or trade or throwing laborers out of employment, as the Democratic party proposes to do."

Pardee advocated the election of the entire Republican ticket.

At the overflow meeting Senator Tyrrell presided and Frank H. Short of Fresno spoke while Pardee was addressing the throng in the theater. Then Pardee went to the hall and Short to the theater.

Short was heard at Nevada City also. He said that he had read of Samuel Butler's intention to deliver the vote of the miners to Dr. Pardee's opponent, and he ridiculed Butler's boast. "There are lots of good Democrats," he proceeded, "but they appear to have no standard bearer in this State at present, for I understand that Franklin K. Lane, whom I know and who is a gentleman, is not willing to defend the principles of his party.

"It does not matter how much the Democratic candidates love us unless they can serve us, and how can they assist or benefit labor unless the principles of their party are helpful to the laboring men? Grover Cleveland told of his love for the plain people, but his administration brought them distress. James G. Blaine, the champion of protection, fought the battle of the laboring man. Class warfare in this country cannot be tolerated, for the basic principle of the Republic is that we stand united.

"If you wish to contrast Democratic and Republican treatment of labor, compare the administration of the law by a Democratic President during the Chicago railway strike with President Roosevelt's conduct in the Pennsylvania coal miners' strike.

"The standard bearer of the Republican party in this State is the son of a pioneer, who was a respectable citizen of independent character. He is 45 years old, and the State has reason to be proud of him. He is self respecting and courageous. It is time a native son of this State should be placed in the Governor's office. I say this, although I am not a Californian. I could not help being born in Missouri any more than Franklin K. Lane could help being born in Canada."

Ex-Senator Preston said at the Nevada City meeting: "I have known Dr. Pardee for many years, and the assertion that he is not in sympathy with labor is without foundation. His very profession has constantly called for sympathy for the suffering and needy. He never has proved false to those who trust him."

COLORED ORATOR TO STUMP THE STATE.

The State Central Committee has assigned Tom Pearson, the colored lawyer and attorney, who will stump the State for Dr. Pardee and the Republican ticket, to speak in the following cities: Los Angeles, October 27th; Pasadena, October 28th; Oakland, October 31st.

GREAT INTEREST IN BIG FIGHT.

OAKLAND BALL PLAYERS ARE SURE TO WIN THE PENNANT.

From the present standing of the baseball clubs Oakland is figured out a sure winner. By Fisher's finest winning all but one down South this last series, Los Angeles has been moved farther down in second place with San Francisco but forty-four points to the rear. The Loo Loos will have to win about every game they play to overcome the leaders and this they most certainly cannot do and play their present game.

Both Oakland and Los Angeles have thirty-eight regularly scheduled games to play before the close of the war. San Francisco has to participate in thirty-nine meetings and the Sacramentos are booked for thirty-five games. The meetings are distributed as follows: San Francisco and Los Angeles, 23; Oakland and Sacramento, 21; Oakland and Los Angeles, 11; San Francisco and Sacramento, 10; Oakland and San Francisco, 6 and Los Angeles and Sacramento, 4.

As the locals have the majority of the games to contest with the tailenders', anyone who has followed the play throughout the season can easily figure out the pennant winners.

It will be a most hotly contested struggle between San Francisco for the honor of finishing second. Although Harris and his men are at present in the third row, Uncle has made up his mind to run close to the leaders and judging by the way the games to be played among the teams, he has a good chance to realize his hopes.

The Sacramento team has gotten together too late in the game to do any harm and the rear of the procession is generally conceeded to them. They will play the locals on the home ground Wednesday. A good game is looked for as the detectives have gotten out of the tobaggan and are working right.

HANLON-M'FADDEN AT RELIANCE TONIGHT

TWO GAME LITTLE FIGHTERS WILL HAVE MANY SPECTATORS.

The sale of seats for the Hanlon-McFadden contest at the Reliance Athletic Club to-night has exceeded all expectations. The seats were place on sale Saturday forenoon and before evening half the house was sold out. This shows the club will have a full house and those who contemplate going should lose no time in securing seats.

Both Hanlon and McFadden are at weight. Each of the little boxers entertained a large crowd of friends Sunday at their training quarters. Zick Abrams headed a large delegation of sports who went over to San Rafael to see the "Kid." They all came away firmly convinced that the red-top would be there with the goods when he enters the ring this evening.

Over at Croll's Gardens a great many of Eddie Hanlon's friends gathered to have a look at the popular little boxer. Eddie had a smile for each and all his friends and his condition was very pleasing to those present.

A great deal of money will change hands on this contest as the betting has been very lively for several days. The betting is even money but the indications are that the "Kid" will rule as a favorite on acount of his greater experience.

The managers of the club are making careful arrangements for the handling of a large attendance in a way that will insure the comfort of all.

Two red-hot preliminaries have been secured in which there will be some good milling.

POLICEMAN RESCUES DROWNING BOATMEN

Policeman Jack Sherry heroically saved Mark and John Reynolds, brotherers, who are employed on the steamer Emma, which is now on the ways at Hay & Wright's ship yards, from drowning in the estuary late yesterday afternoon. The brothers had started in a small boat from the ship yards to the city wharf and had almost reached their destination when they were run down by the steamer Diamond, which was backing from its slip at the foot of Franklin street. The small boat was struck by the paddle wheel of the stern wheeler and capsized. Sherry, who was standing on the deck of the yawl Gipsy, witnessed the accident, and jumping into a small boat, he went to the rescue of the struggling men, reaching them just as they were about to be run down a second time by the steamer. He took them aboard his frail craft and soon afterward landed them at the city wharf, where it was found that Mark Reynolds had been struck on the head by the paddle wheel and received a serious scalp wound. The injured man, however, refused medical assistance.

MORRISON SUIT IS DISMISSED.

COMPROMISE PREVENTS RACY DISCLOSURES IN THE COURTS.

The divorce suit of Mrs. Anna Morrison against her husband, A. J. Morrison, formerly cashier of the Palace Hotel, was dismissed by Judge Ogden yesterday.

Last week it was thought a compromise had been effected, but the two parties disagreed before signing the articles of separation which had been drawn up by the attorneys in the case.

The husband sought to have an amended answer, alleging his wife was incompetent to appear for herself in the suit. Judge Ogden decided not to admit the amended answer.

As the case now stands the husband is to pay $52 per month alimony.
